Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Independent claims 1, 11 and 15, when considered as a whole, are allowable over the prior art of record. Specifically, prior art of record fails to teach or suggest the step/means for generating a file representing the determined presentation sequence of the components, to transmit across a network to allow presentation of the components as part of a user interface on a client terminal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
